Fire Safety Training & Management Services Pty Ltd  
Trading as Red Alert | ABN 92 007 174 316

[www.red-alert.com.au](http://www.red-alert.com.au)

### The Company

Fire Safety Training & Management Services Pty Ltd was formed in June 1989. On 1st January 2002 our trading name was changed to Red Alert Australia to better reflect our diverse range of safety and emergency training and consultancy services. Red Alert Australia (RAA) now employs over 90 staff and boasts a client list of over 120 businesses including some of Australia's largest companies.

Red Alert Australia provides specialist consultancy, emergency services officers, equipment and accredited safety and emergency training to clients with multiple sites using proven project management skills driven by our certified ISO 9001:2000 quality system and Australian Quality Training Framework Standards. Our training design and development is overseen by our ISO 9001 Quality Management System externally audited and certified by SAI-Global.

Fire Safety Training & Management Services Pty Ltd trading as Red Alert Australia is a Registered Training Organisation (RTO No 3809)
